# Voucher Type wise Auto Godown Selection

## **Introduction**

If you maintain transactions (Purchase/Sales etc) specific to a single godown, then this module is helpful to you. You can assign default godown in Voucher Type configuration screen. While doing entry, the godown will be automatically selected from the Voucher Type master. You have the choice to change the godown to some another godown in voucher also.

## **Benefits**

- Easy To Maintain Godown Wise Stock
- Speedy Voucher Entry and Time consuming

### **Important!**

Take back up of your company data before activating the Add-on.

Once you try/purchase an Add-on, follow the steps below to configure the Add-on and use it.

## Setup Guide

1. Update your license.

Go to **Gateway of Tally → F12: Configuration → Licensing → Update License**

(For multi-site account, click [here](#) for the steps to configure Add-on for a particular site.)

2. Restart Tally.ERP 9 Application and load your company.

3. Open user manual.

For Tally.ERP Series A versions lower than Release 5.0

Go to **H: Help → Add-on Help** to open the user manual.

For Tally.ERP Series A release 5.0 and above

Press **Ctrl + Alt + H** to get Add-on help.

4. Activate the Add-on.

For Tally.ERP 9 Series A Release 3.2 and above

Go to **Gateway of Tally → F11: Features → F6: Add-on Features**

Set “Yes” to the option **Voucher Type wise Auto Godown Selection?**

5. Go to Gateway of Tally → Accounts Info → Voucher Types → Select Voucher Type Like.

Sales Order / Delivery Note / Sales / Credit Note / Purchase Order / Receipt Note / Purchase / Debit Note

Set Default Godown as below.

In “Default Godown” you can select the Godown from which transaction is to be maintained. If you don’t want to Allocate default Godown, you can select Not Applicable

The screenshot shows the 'Voucher Type Alteration (In Developer Mode)' window for 'Sales'. The 'General' tab is active, showing various configuration options. The 'Godown Name' field is set to 'AHmedabad'. A red box highlights this field, and a red arrow points to it from the text 'Select From Pop up list'. To the right, a 'List of Godowns' pop-up window is visible, listing 'Not Applicable', 'AHmedabad', 'Bopal', 'Main', and 'Main Location'. 'AHmedabad' is selected in the list.

6. Go to Gateway of Tally →Accounting Voucher →Sales.

Godown Name will be filled automatically from Default Godown of Sales Voucher Type.

Item Allocations for : <b>ItemAB</b>						Quantity	Rate	per	Disc %	Amount
Godown	Batch/Lot No.	Quantity	Rate	per	Disc %	Amount				
Tracking No. : - Not Applicable		Order No. : - Not Applicable								
AHmedabad	44	10 Nos (1 PC)	10.00	Nos		100.00	10 Nos (1 PC)	10.00	Nos	100.00
						10 Nos				100.00
						<b>10 Nos</b>				<b>100.00</b>

**Note:** Same way, Godown will be filled automatically in Sales Order, Delivery Note, Credit Note, Purchase Order, Receipt Note, Purchase, Debit Note Voucher from Voucher Type Default Godown.

# FAQs

## **Which version/releases of Tally.ERP 9 does the add-on support?**

This add-on will work only from Tally.ERP 9 Series A, release 3.2 to Tally.ERP 9 Series A, release 5.0

## **How will I get support for this add-on?**

For any functional support requirements please do write to us on [addons@tallyhub.com](mailto:addons@tallyhub.com) or call us at Preyash Shah Mobile - +91-98793 38860. Alternatively, you can send a support query from Support Centre (Ctrl + H).

## **If I need some enhancement / changes to be incorporated for the add-on, whom should I contact?**

Please to write to us on [addons@tallyhub.com](mailto:addons@tallyhub.com) with your additional requirements and we will revert to you in 24 business hours.

## **Will new features added be available to us?**

We offer one year availability of all support and new features free of cost. After one year, nominal subscription cost will be applicable to you to continue to get free support and updates.

## **What will happen after one year?**

20% of the then MRP will be charged for one year of email support and versions (minor & major).

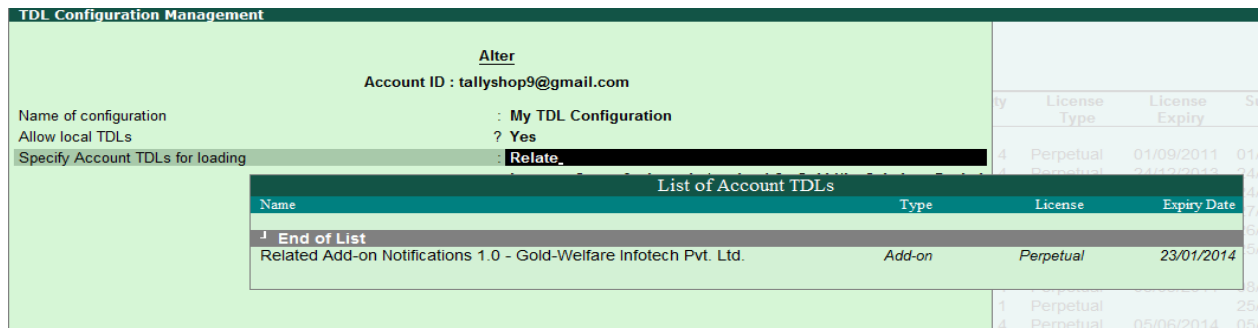

## **I am using a multisite. Can I use the same Add-on for all the sites?**

No, one Add-on will work only for 1 site. You need to purchase again if you want to use the same Add-on for more sites.

## **How do I configure the add-ons?**

If you are a Tally.ERP 9 Multi site user, add the Add-on to the required site as follows:

- a. Press Ctrl + K or Click on Control Centre and log into your account
- b. Go to **Licensing & Configuration → TDL Management → F8: TDL Config List → Select the site's default TDL**
- c. Under '**Specify Account TDLs for loading**', select the Add-on Name and accept the screen.

- d. Update your license by going to **Gateway of Tally → F12: Configuration → Licensing → Update License**

**Note:** To know or change the site's default TDL configuration, go to **Licensing & Configuration → License Management → F6: Show Config** and look at the TDL Configuration column.)

If you face problems in configuring the add-on, click on this link to know more.

<http://www.tallysolutions.com/website/html/solutions/how-to-configure.php>

### **I have upgraded to a new Tally.ERP 9 Release. What will happen?**

Normally, the add-on will work fine without any glitches. If you face problems with the Add-on, you can contact us for support.

### **Product and Features Page shows errors with the Add-on. What do I do?**

Check first if the error is because of the Add-on or because of clashes between 2 TDLs (An add-on is also a TDL). In case of clashes, disable one or more TDLs and check which TDL has error. If the Add-on has a problem, you can report it to us.

### **My Tally went into educational mode after installing the add-on. What do I do?**

Go into **Control Centre → Licensing & Configuration → TDL Management → F8: TDL Config List → Select the site's TDL configuration which has the Add-on** and remove the Add-on from the list. Update the license.

**How do I find out if a new release of the Add-on is available?**

Go to **Control Centre → Licensing & Configuration → TDL Management** and check under version available Column.

**How do I update to the latest release?**

Go to **Control Centre → Licensing & Configuration → TDL Management** and check under version available Column. If the version number shown under '**Version Available**' column is higher than the version number shown in Name of the Add-on, select the Add-on and press F4 or click on **F4: Download** to download the new version. Update the license and restart Tally after download.

**How do I cross upgrade the Add-on from Silver to Gold Edition?**

Go to **Control Centre → Licensing & Configuration → TDL Management**, select the Add-on and press F6 or click on F6: Change Edition. Update the license and restart Tally after download.

**My Subscription for the Add-on has expired. How do I renew my subscription?**

Go to **Control Centre → Licensing & Configuration → TDL Management** and check under Subscription Expiry column. If the subscription is about to expire or expired, select the Add-on, Press F5 or click on **F5: Renew** and fill in the required details to renew your subscription. Update the license and restart Tally after download.

**Will this add-on work in remote session?**

No, this add-on will not work remotely.
